The Illuminati Quiz 2022

4th March 2023

The 15th edition of **The Illuminati Quiz** was organized by the students of Govt. Model Engineering College's eponymous quizzing fraternity in memory of the late Sandeep Menon; an alumnus of the college. The event sponsored by **Ansys** and **The Sandeep Menon Foundation** was held at Ernakulam Town Hall on 4th March 2023, and was conducted by Major Chandrakant Nair. The quiz was attended by over 80 participants from different schools and colleges along with working professionals: all with an unending love for quizzing, making it a highly competitive event.

This edition marked the 11th iteration of The Illuminati Quiz with Major Chandrakant Nair as the quizmaster. Fondly called “Captain” by his compatriots, he is one of the most prominent quizmasters in the Indian quizzing arena and has conducted numerous quizzes across India. His sheer passion and tangible energy added to the competition's excitement and kept the participants engaged throughout the event.

The event was inaugurated by Mr. and Mrs. Menon, parents of Sandeep Menon, accompanied by Major Chandrakant Nair and the members of The Illuminati Quiz Club. The opening ceremony commenced with the customary lighting of the lamp followed by a presentation on Sandeep Menon and his exploits at MEC, the history of TIQ, and our long-lasting association with ANSYS, our title sponsors.

The quiz started soon after the opening ceremony where Major doled out some masterfully crafted questions in his trademarked style. The written prelims was attempted in teams of

two and consisted of 30 questions. The finalists were announced following lunch, with 8 teams from the open category and 4 teams from the school/college category making the cut.

The finalists fought tooth and nail for the prize with the CIDs of Kerala consisting of V.R and Hrishi coming out on top.

The event was initially set to be conducted in December, but had to be postponed due to unfortunate timings. In spite of the unfortunate postponement of the event, TIQ 2022 still registered a significant turnout of 37 teams across all categories and was a huge success. Mr. Menon, Mrs. Menon and Major Chandrakant Nair joined hands in giving away the prizes, pulling the curtains on yet another successful year for The Illuminati Quiz.
